

**O** EVERLASTING Light,  
On our dark souls now shine,  
Flood hearts and minds, and give us sight  
To look on things divine.

2 O everlasting Truth,  
Truest of all that's true,  
Sure Guide of erring age and youth,  
Lead us, and teach us too.

3 O everlasting Health,  
From Whom all healing springs;  
Our happiness, our bliss, our wealth,  
To Thee our spirit clings.

4 O everlasting Love,  
Fountain of grace and peace,  
Pour down Thy fulness from above,  
Bid all contention cease.

5 O everlasting Strength,  
Uphold us in the way;  
Bring us through trials all at length  
To the eternal day.
