

**T**HE Lord will hear when troubles come,  
When trials and griefs oppress;  
Our covenant God will never fail  
His people in distress.

- 2 By prayer He'll strengthen faith and love  
To bless the means of grace,  
And by the Word our waiting souls  
Shall feel His strong embrace.
- 3 He'll grant us all our soul's desire  
To trust Him in that hour;  
Infusing every needed aid  
Of wisdom, help and power.
- 4 Our grateful hearts shall not forget  
The details of His love;  
How all our pleas were surely met  
By rescue from above.
- 5 Thus proved, our infant faith shall grow  
Into conviction sure;  
And leaning less on human aid,  
We'll trust Him all the more.
