Psalm 2 Version 1

THOUGH sinners boldly join
Against the Lord to rise,
Against His Christ combine
Th' Anointed to despise;
Though earth disdain,
And hell engage,
Vain is their rage,
Their counsel vain.

2 Jesus the Saviour reigns!
On Zion is His throne;
The Lord's decree sustains
His own begotten Son.
Up from the grave
He bids Him rise
And mount the skies
With power to save.

3 O serve the Lord with fear
And reverence His command;
With sacred joy draw near,
With solemn trembling stand;
Kneel at His throne,
Your homage bear,
His power declare,
And own the Son.
