

**S**AVE me by Thy glorious name,  
Vindicate and own me, Lord.  
Help from Thee I humbly claim,  
By the Spirit and the Word,  
Strengthen me and hear my voice,  
Calm, and bid my heart rejoice.

2 Foes of Christ oppose my way,  
Press my soul to yield and bend;  
Satan tracks me all the way;  
How I need my mighty Friend!  
But with Christ to make me strong,  
Foes can never triumph long.

3 When He comes to take my part,  
All my anxious strivings cease,  
And, in praise, my grateful heart  
Blesses loud the Prince of Peace,  
'Christ Himself has set me free!'  
I shall ever worship Thee.
